

CORTIVA INSTITUTE

Professional Massage Therapy Program Consumer Information

CIP Code (Classification of Instructional Programs)	51.3501
SOC Code	31-9011.00 Massage Therapists http://www.onetonline.org/link/summary/31-9011.00

Program Description: This comprehensive massage therapy program prepares students to become successful practicing bodyworkers by giving them a broad knowledge of both therapeutic and clinical techniques. Students learn an eclectic style of therapeutic massage that is based on Swedish theory, which gives them a solid foundation for mastering many different bodywork techniques. They are taught a wide range of bodywork therapies that includes sports massage, reflexology, deep tissue, myofascial techniques, neuromuscular assessment and therapy, lymphatic and Russian sports massage, injury techniques, trigger point therapy, and cranial sacral therapy. The program includes courses in anatomy, physiology, pathology and kinesiology, as well as integrative assessment and documentation. Students gain a solid understanding of the body, enabling them to effectively communicate with other health care professionals and create comprehensive treatment programs for their clients. Professional ethics and communication are taught through Cortiva Institute’s business and career development classes, along with training in laws and regulations. **The program exceeds standards set by most state and municipal governments for licensing and/or registration. ** Licensure requirements subject to change. Check your local requirements.*

Program Objectives

- ❖ To develop the personal and professional potential of students so they enter the field as therapists who will offer a quality of service that will be sought after by both clients and employers.
- ❖ To instill in students a client-centered approach to bodywork.
- ❖ To train students in the theory and technique of a balanced blend of bodywork therapies and prepare them to seek gainful employment working as massage therapists or in related fields supported by the training received within the program and recognized by the state.
- ❖ To prepare students with sufficient training in the theory and technique of massage therapy and bodywork to sit for the Massage & Bodywork Licensing Exam (MBLEX) or other state recognized licensing exam.

Nature of the Work, Working Conditions and Physical Requirements: Ability to sit or stand for long periods of time, manual dexterity, steady hands, ability to advise clients with a friendly, courteous personality.

Safety Requirements:

- ❖ Adherence to the highest standards of sanitation, disinfection and sterilization
- ❖ Proper use of equipment and chemicals
- ❖ Practice basic hygiene, well-groomed and professional appearance
- ❖ All rules and regulations of Cortiva Institute must be followed

Advanced Paramedical Skin Care Consumer Information

CIP Code (Classification of Instructional Programs)	12.0499
SOC Code	39-5094.00 https://www.onetcodeconnector.org/ccreport/39-5094.00

Program Description: This diploma program includes the entire Skin Care Training Program and builds upon that foundation to prepare students with the skills necessary to be employed in a medical or advanced clinical skin care environment. The courses provide integrated training in both clinical and holistic skin care. Hands-on skills include microdermabrasion, advanced chemical peels, ayurvedic treatments, and aromatherapy. Classes are offered in product ingredient knowledge, medical esthetics, advanced dermatology, cosmetic chemistry, body treatments, nutrition/pharmacology, and advanced makeup. **The program exceeds standards set by most state and municipal governments for licensing and/or registration. **Licensure requirements subject to change. Check your local requirements.*

Program Objectives.

- ❖ To develop the personal and professional potential of students so they enter the field as paramedical estheticians who will offer a quality of service that will be sought after by both clients and employers.
- ❖ To provide students with training in the theory and technique of a wide variety of skin care services and advanced treatments. This training significantly expands opportunities for gainful employment as beyond entry-level Registered Facial Specialists in esthetics and related fields supported by the training received in school and recognized by the state. Students are trained to provide a variety of services that include, but are not limited to, advanced body wraps, advanced chemical peels, lash extensions, camouflage and airbrush makeup, microdermabrasion, microcurrent, LED and ultrasonic treatments.

Nature of the Work, Working Conditions and Physical Requirements: Ability to sit or stand for long periods of time, manual dexterity, steady hands, ability to advise clients with a friendly, courteous personality.

Safety Requirements:

- ❖ Adherence to the highest standards of sanitation, disinfection and sterilization
- ❖ Proper use of equipment and chemicals
- ❖ Practice basic hygiene, well-groomed and professional appearance
- ❖ All rules and regulations of Cortiva Institute must be followed

CORTIVA INSTITUTE

Makeup Artistry and Skin Care Program Consumer Information

CIP Code (Classification of Instructional Programs)	12.0499
SOC Code	39-5094.00
	https://www.onetcodeconnector.org/ccreport/39-5094.00

Program Description: The Makeup Artistry and Skin Care program offers a combined training in the thriving industries of both make-up artistry and skin care. During the make-up artistry portion of the program, students learn the art and science of make-up while covering traditional, alternative and specialty applications. While studying the practice of skin care, students learn how to perform a variety of skin treatments with special consideration for skin types, use of appropriate products and equipment, and hair removal. In addition to the technical training related to make-up artistry and skin care, students receive in-depth knowledge of anatomy and physiology, business, and career development training. Upon completion of their training, graduates are able to create a custom “look” for each of their clients that addresses each individual’s needs, from health and tone of skin, to color and length of lash. The comprehensive design of the program prepares graduates to work in the fields of skin care and makeup artistry, or in a related field. Graduates enjoy fulfilling careers in the esthetic and beauty industries working in spas, resorts, and salon settings, or as business owners in private practice serving a wide variety of clientele. **The program exceeds standards set by most state and municipal governments for licensing and/or registration. ** Licensure requirements subject to change. Check your local requirements.*

Program Objectives

- ❖ To develop the personal and professional potential of students so they enter the field as Makeup Artists and/or Registered Facial Specialists who will offer a quality of service that will be sought after by both clients and employers.
- ❖ Students are trained to provide a variety of services that include, but are not limited to, facials, waxing, and basic peels.
- ❖ To train students in the theory and technique of the essentials of makeup application and lash services while preparing them to obtain gainful employment working as entry-level Makeup Artists or in related fields supported by the training received in school and recognized by the state. Students are trained to perform services that include, but are not limited to, makeup applications for events-weddings, high fashion, camouflage, airbrush, fantasy, theatrical, body art.

Nature of the Work, Working Conditions and Physical Requirements: Ability to sit or stand for long periods of time, manual dexterity, steady hands, ability to advise clients with a friendly, courteous personality.

Safety Requirements:

- ❖ Adherence to the highest standards of sanitation, disinfection and sterilization
- ❖ Proper use of equipment and chemicals
- ❖ Practice basic hygiene, well-groomed and professional appearance
- ❖ All rules and regulations of Cortiva Institute must be followed

Skin Care Program Consumer Information

CIP Code (Classification of Instructional Programs)	12.0499
SOC Code	39-5094.00 https://www.onetcodeconnector.org/ccreport/39-5094.00

Program Description This comprehensive 300-hour program offers training in the theory and practice of skin care and provides students a great deal of hands-on, real world clinical experience that allows them to graduate as experienced skin care professionals. The program emphasizes the structure and function of the skin and prepares students to critically assess and meet the unique needs of each client. A strong foundation in anatomy and physiology is provided. Business and career development classes, along with training in Florida laws and regulations, are also offered. The program provides instruction in basic facials, makeup artistry, masks, product chemistry, and hair removal. **The program exceeds standards set by most state and municipal governments for licensing and/or registration. ** Licensure requirements subject to change. Check your local requirements.*

Program Objectives

- ❖ To develop the personal and professional potential of students so they enter the field as Registered Facial Specialists who will offer a quality of service that will be sought after by both clients and employers.
