

CORTIVA INSTITUTE

Professional Massage Therapy Program Consumer Information

CIP Code (Classification of Instructional Programs)	51.3501
SOC Code	31-9011.00 Massage Therapists http://www.onetonline.org/link/summary/31-9011.00

Program Description: This comprehensive massage therapy program prepares students to become successful practicing bodyworkers by giving them a broad knowledge of both therapeutic and clinical techniques. Students learn an eclectic style of therapeutic massage that is based on Swedish theory, which gives them a solid foundation for mastering many different bodywork techniques. They are taught a wide range of bodywork therapies that includes sports massage, reflexology, deep tissue, myofascial techniques, neuromuscular assessment and therapy, lymphatic and Russian sports massage, injury techniques, trigger point therapy, and cranial sacral therapy. The program includes courses in anatomy, physiology, pathology and kinesiology, as well as integrative assessment and documentation. Students gain a solid understanding of the body, enabling them to effectively communicate with other health care professionals and create comprehensive treatment programs for their clients. Professional ethics and communication are taught through Cortiva Institute's business and career development classes, along with training in laws and regulations. **The program exceeds standards set by most state and municipal governments for licensing and/or registration. ** Licensure requirements subject to change. Check your local requirements.*

Objectives:

- ❖ To develop the personal and professional potential of students so they enter the field as therapists who will offer a quality of service that will be sought after by both clients and employers.
- ❖ To instill in students a client-centered approach to bodywork.
- ❖ To train students in the theory and technique of a balanced blend of bodywork therapies and prepare them to seek gainful employment working as massage therapists or in related fields supported by the training received within the program and recognized by the state.
- ❖ To prepare students with sufficient training in the theory and technique of massage therapy and bodywork to sit for the Massage & Bodywork Licensing Exam (MBLEx) or other state recognized licensing/certification exam.

Nature of the Work, Working Conditions and Physical Requirements: Ability to sit or stand for long periods of time, manual dexterity, steady hands, ability to advise clients with a friendly, courteous personality.

Safety Requirements:

- ❖ Adherence to the highest standards of sanitation, disinfection and sterilization
- ❖ Proper use of equipment and chemicals
- ❖ Practice basic hygiene, well-groomed and professional appearance
- ❖ All rules and regulations of Cortiva Institute must be followed

Limitations of Employability Due to Criminal History

Students with criminal histories may not be eligible for professional certification or licensure after graduation, depending on the requirements of the student's chosen program at the time of completion. The guidelines are issued by the Texas Department of Licensing and Regulation (TDLR) pursuant to the Texas Occupations Code, §53.025(a). These guidelines describe the process by which TDLR determines whether a criminal conviction renders an applicant an unsuitable candidate for the license, or whether a conviction warrants revocation or suspension of a license previously granted. These guidelines present the general factors that are considered in all cases, and also the reasons why particular crimes are considered to relate to each type of license issued by TDLR. Individuals may request TDLR review their criminal background before applying for a license.

The Act sets out that a person is ineligible for licensure:

- A. If the person has been convicted of, entered a plea of nolo contendere or guilty to, or received deferred adjudication to crimes or offenses under Chapter 20A, Penal Code, or Subchapter A, Chapter 43, Penal Code, or another sexual offense;
- B. Until the fifth anniversary of the date of a conviction of a violation of the Act.

This information can be found at:

<https://www.tdlr.texas.gov/crimconvict.htm>

You may obtain copies of the Massage Therapy Act, Texas Occupations Code, Chapter 455 at:

<https://statutes.capitol.texas.gov/Docs/OC/htm/OC.455.htm>

Section 53.152, Occupations Code

You have the right to TDLR's criminal history guidelines are available at www.tdlr.texas.gov/crimconvict.htm and include restrictions or guidelines TDLR uses to determine eligibility for an occupational license; and individuals the right to request a criminal history evaluation letter from TDLR, which is explained in more detail at www.tdlr.texas.gov/crimhistoryeval.htm.

Please contact the Student Services Department if you have any questions or concerns regarding the criminal history and/or other licensure requirements. This program is not intended to prepare graduates for employment in any state other than Texas. Prospective and current students and graduates are responsible for researching and understanding all examination, registration, certification, or licensure requirements in any state in which they seek to become registered, licensed, or employed.

ADDITIONAL DISCLOSURES:

CORTIVA INSTITUTE

Esthetician Program Consumer Information

CIP Code (Classification of Instructional Programs)	12.0499
SOC Code	39-5094.00 Skin Care Specialist https://www.onetonline.org/link/summary/39-5094.00

Expected Length of Program - 9 Months

Program Description This program offers training in the theory and practice of skin care and provides students with a great deal of hands-on, real-world clinical experience. The program emphasizes the structure and function of the skin and prepares students to critically assess and meet the unique needs of each client. A strong foundation in anatomy and physiology is provided. Business and career development classes, along with training in Texas laws and regulations, are also offered. The program provides instruction in basic facials, makeup artistry, masks, product chemistry, and hair removal.

Program Objectives:

- To develop the personal and professional potential of students so that they can enter the field of Esthetics and have the ability to offer a quality of service that will be sought after by both clients and employers.
- To train students in the theory and technique of a balanced blend of skincare, makeup, and hair removal while preparing them to seek gainful employment working as entry-level estheticians or in related fields supported by the training received in school and recognized by the state.
- To prepare students with sufficient training in the theory and techniques to sit for the Texas Esthetician Licensing Exam.
- Students are trained to provide a variety of services that include but are not limited to facials, waxing, makeup, and basic peels.

PHYSICAL DEMANDS OF PROFESSION: Ability to sit or stand for long periods of time, manual dexterity, good eyesight, gentle steady hands, ability to distinguish color, and ability to advise clients with a friendly, courteous personality.

SAFETY REQUIREMENTS:

- Students will adhere to the highest standards of sanitation, sterilization, and caution with chemicals.
- Proper use of equipment and chemicals is essential to the well-being of the student as well as clients.
- All students are required to practice basic hygiene and come to class well-groomed and professional in appearance.
- All rules and regulations of Cortiva Institute must be followed.
