

CORTIVA INSTITUTE

Professional Massage Therapy Program Consumer Information

CIP Code (Classification of Instructional Programs)	51.3501
SOC Code	31-9011.00 Massage Therapists http://www.onetonline.org/link/summary/31-9011.00

Expected Length of Program - 9 Months

Program Description: This comprehensive massage therapy program prepares students to become successful practicing bodyworkers by giving them a broad knowledge of both therapeutic and clinical techniques. Students learn an eclectic style of therapeutic massage that is based on Swedish theory, which gives them a solid foundation for mastering many different bodywork techniques. The program includes courses in anatomy, physiology, pathology and kinesiology, as well as integrative assessment and documentation. Students gain a solid understanding of the body, enabling them to effectively communicate with other health care professionals and create comprehensive treatment programs for their clients. Professional ethics and communication are taught through Cortiva Institute's business and career development classes, along with training in laws and regulations. *This program may exceed standards set by some state and municipal governments for licensing and/or registration. ** Licensure requirements subject to change. Check your local requirements.

Program Objectives:

- To develop the personal and professional potential of students so they enter the field as therapists who will offer a quality of service that will be sought after by both clients and employers.
- To instill in students a client-centered approach to bodywork.
- To train students in the theory and technique of a balanced blend of bodywork therapies and prepare them to seek entry level employment working as massage therapists or in related fields supported by the training received within the program and recognized by the state.
- To prepare students with sufficient training in the theory and technique of massage therapy and bodywork to sit for the Massage & Bodywork Licensing Exam (MBLEx) or other state recognized licensing exam.

Nature of the Work, Working Conditions and Physical Requirements: Ability to sit or stand for long periods of time, manual dexterity, steady hands, ability to advise clients with a friendly, courteous personality.

Safety Requirements:

- Adherence to the highest standards of sanitation, disinfection and sterilization
- Proper use of equipment and chemicals
- Practice basic hygiene, well-groomed and professional appearance
- All rules and regulations of Hollywood Institute must be followed

CORTIVA INSTITUTE

Esthetics Training Program Consumer Information

CIP Code (Classification of Instructional Programs)	12.0499
SOC Code	39-5094.00 https://www.onetcodeconnector.org/ccreport/39-5094.00

Expected Length of Program - 9 Months

Program Description: This comprehensive program offers training in the theoretical and practical components of esthetics. The theory classes emphasize study in dermatology, physiology and histology of the skin, product chemistry and ingredients, and salon safety and sanitation. Business and career development classes, along with training in Maryland laws and regulations, are also offered. The practical portion of the program enables students to develop the hands-on skills necessary to be effective estheticians. This program offers instruction in facials, makeup application, depilatory waxing procedures, non-wax hair removal, and mask therapy. This program meets the requirements set forth by the Maryland State Board of Cosmetology. **The program exceeds standards set by most state and municipal governments for licensing and/or registration. ** Licensure requirements subject to change. Check your local requirements.*

Program Objectives:

To prepare students with sufficient training in the theory and technique of business, marketing and self-promotion to support their success as both private practitioners and employees and to sit for the state recognized licensing exam(s) for estheticians.
To train students in the theory and technique of a balanced blend of esthetics and skin care while preparing them to seek entry level employment working as estheticians or in related fields supported by the training received in school and recognized by the state including, but not limited to, facials, hot stone facials, waxing, makeup and airbrush makeup, lash services, and other techniques and treatments taught in the program.

Nature of the Work, Working Conditions and Physical Requirements: Ability to sit or stand for long periods of time, manual dexterity, steady hands, ability to advise clients with a friendly, courteous personality.

Safety Requirements:

- Adherence to the highest standards of sanitation, disinfection and sterilization
- Proper use of equipment and chemicals
- Practice basic hygiene, well-groomed and professional appearance
- All rules and regulations of Cortiva Institute must be followed
